

LIQUI CONTRACTS

PRODUCT DATA SPECIFICATION

Jasper Bench

The Jasper wooden bench is handmade by our craftsmen from sustainably sourced oak. It makes a great dining bench seat that is both practical and beautiful with its dowel legs and soft rounded edges which gives the oak bench a wonderfully tactile quality. This is the reason that our Jasper wooden furniture range is named after the mineral that is often seen as pebble-shaped gemstones.

Dimensions

Height: 45cm / Width: 115cm / Depth: 28cm
